**File No.** Lotteries and Prize Competitions II/51 (R)

Gen. 191 a.

378-B.

Legal Department.

A revised draft of rules is sent herewith subject to the following observations:-

It is provided in rule 10[e][i] of the Bombay Lotteries and Prize Competitions Control and Tax Rules, 1949, that the books of accounts kept by the licensee under section 15 shall contain inter alia the number of free entry coupons, and also the number of coupons submitted by persons in respect of every competition. Under Form G prescribed under rule 11 of the said rules, every licensee is to submit a monthly return to the Licensing Officer containing inter alia

(1) the total number of coupons submitted, and

(2) the total number of free entry coupons.

Government proposes that the licensee shall not allow any competitor to submit more than one entry, coupon or ticket to any prize competition. It is not made clear, however, under what circumstances a competitor is entitled to free x coupons and whether such free coupons are also to be prohibited by law; if so, the provisions of rule 10[e][i] and of Form G will have to be suitably amended. H.D. however, should consider this point further.

A revised draft notification in place of Home Department draft is sent herewith.

Since free entry coupons are to be allowed hereafter, it will be necessary to delete item (ii) of paragraph (c) of rule 10 and column 3 of the Table in Form G. Necessary amendments are included in the revised draft notification.

A revised corrigendum is sent herewith.

It is not necessary to make a specific reference to the prohibition of entries at half fees as the provision for uniform rates would necessarily prohibit half-fees for any entry.
